Magnificent Whitney Blair custom built home on a double sized lot in cul-de-sac is a must see! This cottage style beauty is located in the hidden gem community of Rutledge. This gated community is just minutes to shopping, restaurants, movie theater, parks and several beautiful beaches! Details in this home include coffered ceilings, craftsman trim throughout, wainscoting, gourmet kitchen, hardwood floors, cozy fireplace and so much more! Master bedroom and study on 1st floor. Upstairs has 2 more bedrooms, bonus room, and conditioned storage room. Screened in porch is lovely and so private. Feels like a tree house. ENCAPSULATED CRAWL SPACE. Very nice community with pool, sidewalks, tennis courts and large pond with seating has a park like setting. Come see this one before it's gone!
